

Relational Intelligence Summit

A 2-day summit where senior teams practice the muscle their org uses least — reading and repairing the relational field.

Every module runs three tracks at once.

NARRATIVE

You realized the org's real bottleneck was relational, not technical.

COGNITIVE

Relational intelligence: field-reading, rupture-and-repair, brave dissent, boundary as clarity.

IDENTITY

From performance manager to field reader.

Why this matters

Establish felt safety before any hard truth is spoken.

"What would need to be true for you to speak the truth here?"

01. Safety Signals

15 min

Name what safety looks and sounds like.

Prompt: Each person: 3 signals of safety and 3 signals of danger in a room.

Debrief: Post on the wall as a shared field guide.

02. Speed of Trust Line

15 min

Physically map trust.

Prompt: Line: 'trust is fast here' to 'trust is slow here'. Move. Speak.

Debrief: Ask: 'What would move you two steps up?'

03. Repair Story

30 min

Share one repair you're proud of.

Prompt: Tell a 3-min story of a repair — personal or professional.

Debrief: Notice which repairs the room already knows how to do.

The reframe

Show that the field is legible — and you're already reading it.

"What did you already know that no one had named?"

01. Field Read

20 min

Practice narrating the room out loud.

Prompt: One volunteer narrates the room's felt sense for 3 min. Others correct.

Debrief: Rotate. Notice the corrections.

02. The Unspoken

20 min

Name the thing everyone knows and no one says.

Prompt: In pairs: 'What does everyone in your team know but no one names?'

Debrief: Group harvest — only volunteered items.

03. Micro-Rupture Study

30 min

Rewind a small rupture in slow motion.

Prompt: Recall a 5-minute rupture. Map: trigger → escalation → recovery.

Debrief: Ask: 'Where could repair have happened one step earlier?'

Organize complexity

Introduce the relational intelligence framework.

"What are the moves in the relational playbook?"

01. The Four Moves

45 min

Teach: name, own, ask, offer.

Prompt: Practice each move in scripted pairs.

Debrief: Debrief: 'Which move is hardest for you?'

02. Boundary as Clarity

30 min

Distinguish boundaries from walls.

Prompt: Rewrite 3 org rules as boundaries (offers), not walls (restrictions).

Debrief: Ask: 'Which felt easier to say aloud?'

03. The Brave Dissent Protocol

30 min

Teach the protocol.

Prompt: Practice dissenting inside the protocol on a low-stakes topic.

Debrief: Debrief cadence, not content.

Pattern discovery

Practice on a real, unresolved organizational tension.

"Which real tension are you willing to bring into this room?"

01. Tension Bring-Along

45 min

Bring a live tension.

Prompt: Volunteer one team brings a real tension. Others hold field.

Debrief: Reflect only. Do not solve.

02. Amplification Round

20 min

Amplify what wasn't heard.

Prompt: Each observer amplifies one thing they heard but wasn't received.

Debrief: Ask the bringing team: 'What changed by hearing this?'

03. The Repair Rehearsal

30 min

Rehearse the repair conversation you owe.

Prompt: In pairs: rehearse the actual conversation you've been avoiding.

Debrief: Ask: 'What made it easier to say here?'

Commitment

Commit to one real repair on the calendar.

"Which repair will happen on your calendar this week?"

01. The Repair Appointment

10 min

Put it on the calendar in the room.

Prompt: Send the calendar invite before you leave the room.

Debrief: Show the invite to your witness.

02. The After-Card

15 min

Design what you'll do after.

Prompt: Write 3 lines: opening, hardest sentence, what you'll offer.

Debrief: Read to your witness. Adjust the hardest sentence.

03. Community Practice Pact

5 min

Meet the group again in 30 days.

Prompt: Set a 30-min group check-in date now.

Debrief: Assign a host.
