

Relational Intelligence Summit

Foresight · Retreats · 2 days

A 2-day summit where senior teams practice the muscle their org uses least — reading and repairing the relational field.

The three journeys

Narrative. You realized the org's real bottleneck was relational, not technical.

Cognitive. Relational intelligence: field-reading, rupture-and-repair, brave dissent, boundary as clarity.

Identity. From performance manager to field reader.

Curriculum by module

Module 1 — Day 1 morning — Safety

4h · Love — Why this matters

Outcome: Safety signals posted.

Intent: Establish felt safety before any hard truth is spoken.

Prompt question: What would need to be true for you to speak the truth here?

Exercise	Time	Prompt	Debrief
Safety Signals	15m	Each person: 3 signals of safety and 3 signals of danger in a room.	Post on the wall as a shared field guide.
Speed of Trust Line	15m	Line: 'trust is fast here' to 'trust is slow here'. Move. Speak.	Ask: 'What would move you two steps up?'
Repair Story	30m	Tell a 3-min story of a repair — personal or professional.	Notice which repairs the room already knows how to do.

Artifact: A wall of safety signals. A shared repair story.

Module 2 — Day 1 afternoon — Field

4h · Magic — The reframe

Outcome: Field-read practiced.

Intent: Show that the field is legible — and you're already reading it.

Prompt question: What did you already know that no one had named?

Exercise	Time	Prompt	Debrief
Field Read	20m	One volunteer narrates the room's felt sense for 3 min. Others correct.	Rotate. Notice the corrections.
The Unspoken	20m	In pairs: 'What does everyone in your team know but no one names?'	Group harvest — only volunteered items.
Micro-Rupture Study	30m	Recall a 5-minute rupture. Map: trigger → escalation → recovery.	Ask: 'Where could repair have happened one step earlier?'

Artifact: A field-read transcript. A rupture-in-slow-motion map.

Module 3 — Day 2 morning — Moves

4h · Calm — Organize complexity

Outcome: Four moves rehearsed.

Intent: Introduce the relational intelligence framework.

Prompt question: What are the moves in the relational playbook?

Exercise	Time	Prompt	Debrief
The Four Moves	45m	Practice each move in scripted pairs.	Debrief: 'Which move is hardest for you?'
Boundary as Clarity	30m	Rewrite 3 org rules as boundaries (offers), not walls (restrictions).	Ask: 'Which felt easier to say aloud?'
The Brave Dissent Protocol	30m	Practice dissenting inside the protocol on a low-stakes topic.	Debrief cadence, not content.

Artifact: A four-moves cheat card. A rewritten rule set.

Module 4 — Day 2 afternoon — Real

3h · Open — Pattern discovery

Outcome: One real tension worked.

Intent: Practice on a real, unresolved organizational tension.

Prompt question: Which real tension are you willing to bring into this room?

Exercise	Time	Prompt	Debrief
Tension Bring-Along	45m	Volunteer one team brings a real tension. Others hold field.	Reflect only. Do not solve.
Amplification Round	20m	Each observer amplifies one thing they heard but wasn't received.	Ask the bringing team: 'What changed by hearing this?'
The Repair Rehearsal	30m	In pairs: rehearse the actual conversation you've been avoiding.	Ask: 'What made it easier to say here?'

Artifact: A rehearsed repair script per participant.

Module 5 — Day 2 closing — Commit

1h · Free — Commitment

Outcome: Repair appointment scheduled.

Intent: Commit to one real repair on the calendar.

Prompt question: Which repair will happen on your calendar this week?

Exercise	Time	Prompt	Debrief
The Repair Appointment	10m	Send the calendar invite before you leave the room.	Show the invite to your witness.
The After-Card	15m	Write 3 lines: opening, hardest sentence, what you'll offer.	Read to your witness. Adjust the hardest sentence.
Community Practice Pact	5m	Set a 30-min group check-in date now.	Assign a host.

Artifact: A calendar invite. An after-card. A 30-day check-in date.

Commitment contract

Which repair will you schedule on your calendar before leaving this room?

This week I will have the repair conversation with _____ on _____. My opening line is _____. My witness is _____.

Witness — One peer from the summit circle.
